## AirFlow Breeze®

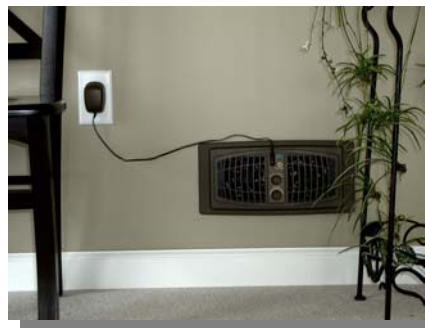

### Product Features/Selling Points:

- Boosts the output of your existing central heating and cooling system up to 60%
- Plug and play convenience
- Safe for children and pets
- 12 month warranty
- Improves room comfort at an affordable price
- Easy to install—no tools necessary
- The Breeze styling blends in well with home room decor.
- The Breeze comes in two (2) colors, Almond and Brown. This gives the homeowner a color choice for decorating options.
- The *color choices* of Almond and Brown are the most popular colors in the market.
- The Breeze has a *three (3)-speed fan* setting. The home owner can adjust for best results, air flow and sound level
- The Breeze is quiet
- The Breeze is inherently safer since it is operated with low voltage--12 volts dc.
- The present sizes, 4 x 10 and 4 x 12 are the most popular register sizes.
- The Breeze also accommodates an *in the wall mounting*--for both sizes.
- The Breeze fits flush to the wall just like the register that is removed.
- *In the floor* installation makes the Breeze very appealing to the homeowner
- *In the floor* installation allows you to run your vacuum cleaner over the top of the register.
